Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

Requesting help stopping defamation from Microsoft BING, for information Defamation of individual (Jeffery Battle), me, and (Battle Enterprises, LLC and subsidiary The Aerospace Professor Company). False reporting during Microsoft BING internet search of (Jeffery Battle), me, and my company "The Aerospace Professor Company".

Defamation: Microsoft BING falsely reported two different individuals (Jeffery Battle) and (Jeffrey Battle Leon Battle) as one individual, falsely and incorrectly reporting both entities as terrorists.

Harm: The Actual damages are numerous. Also, Microsoft's BING's false reporting is especially restricting now, and inflicting marketing damaging during an international book launch of the autobiography (The Aerospace Professor: The Man and The Brand) and with current and future revenue loss, etc, and much more in actual damages.

PROBLEM:

1. BING added a convicted terrorist's profile from (Jeffrey Leon Battle) Wikipedia's profile to mine through false internet reporting, possibly AI generate; presenting two individuals' information as if BOTH were one (Jeffery Battle, The Aerospace Professor: The Man and The Brand). See below:

My name is Jeffery Battle, no middle name;

The Convicted Terrorist's name, NOT MINE, is (Jeffrey Leon Battle);

BING liked his Wikipedia profile to mine as presented below:

The defamatory information Microsoft BING is reporting the following false information. One indicator is stating AI generated by I believe that it is human generated.

How can I contact Jeffery Battle?"

Microsoft BING kept removing the falsely reported information URLs, however, the information would reappear under another URL. I contacted Microsoft with the following questions, and I have not received any responses:

PLEASE HELP: Microsoft BING Case (SIR14721209) has not responded with answers to the following.

Please, respond immediately:

1. What specific measures and parameters (technology or human) were taken by Microsoft BING to remove the recurring false and harmful information?
2. What insurances are provided to me (Jeffery Battle) that the extremely harmful information does not ever reappear on Microsoft BING, elsewhere on the internet, or downloaded?
3. Was the false information generated by Artificial intelligence (AI) or human programming?
4. Why is Microsoft not prepared to immediately shut down AI or human programming urgently,

when lives are at stake?

5. As of 06/08/2023, the false information is now showing up in other internet search locations. What is Microsoft doing to stop this activity?

Thank you,
Jeffery Battle
